

Sales By Artist

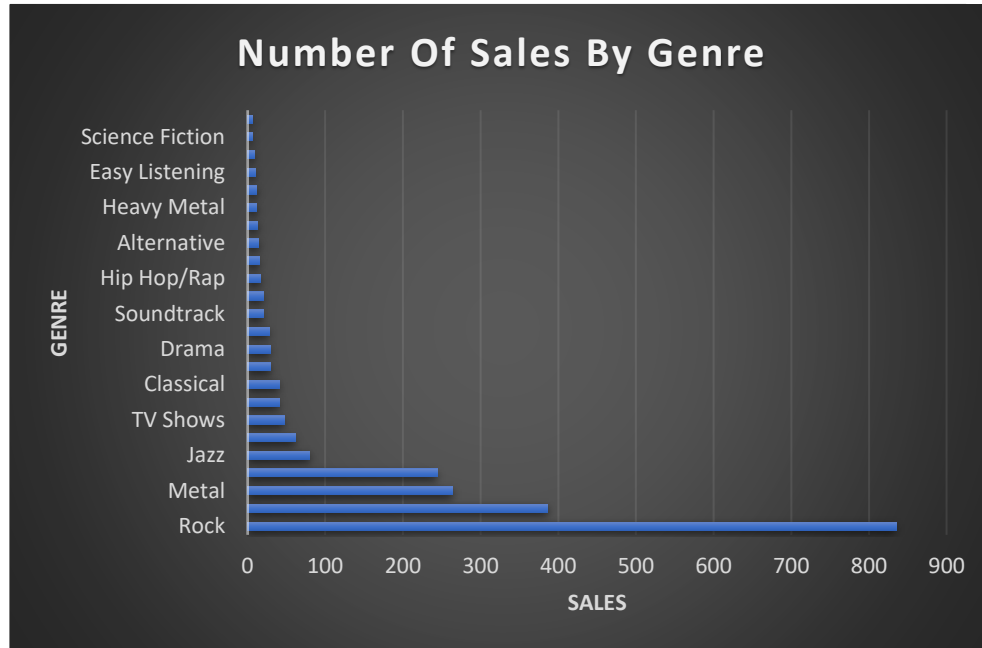

Iron Maiden has the largest number of sales with 140.

Os Paralamas Do Sucesso have the fifth largest number of sales with 45.

Iron Maiden has well over double the number of sales of the fifth placed artist.

Sales By Genre

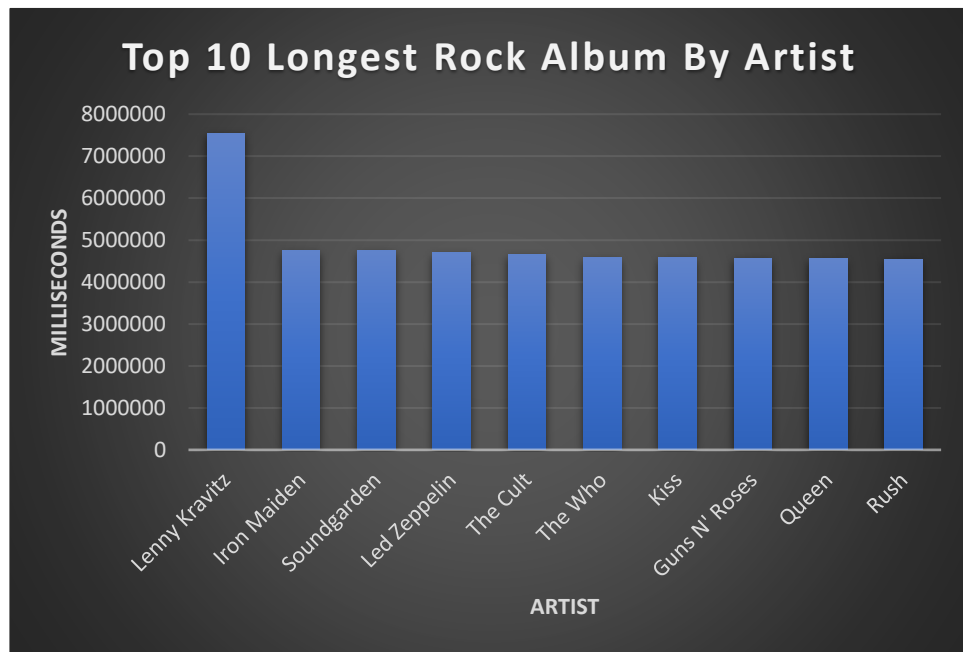

The genre with the biggest number of sales is Rock.

Rock has more than double the amount of sales than the next genre which is Latin.

The two genres with the lowest number of sales are Science Fiction and Rock and Roll.

Longest Rock Album By Artist

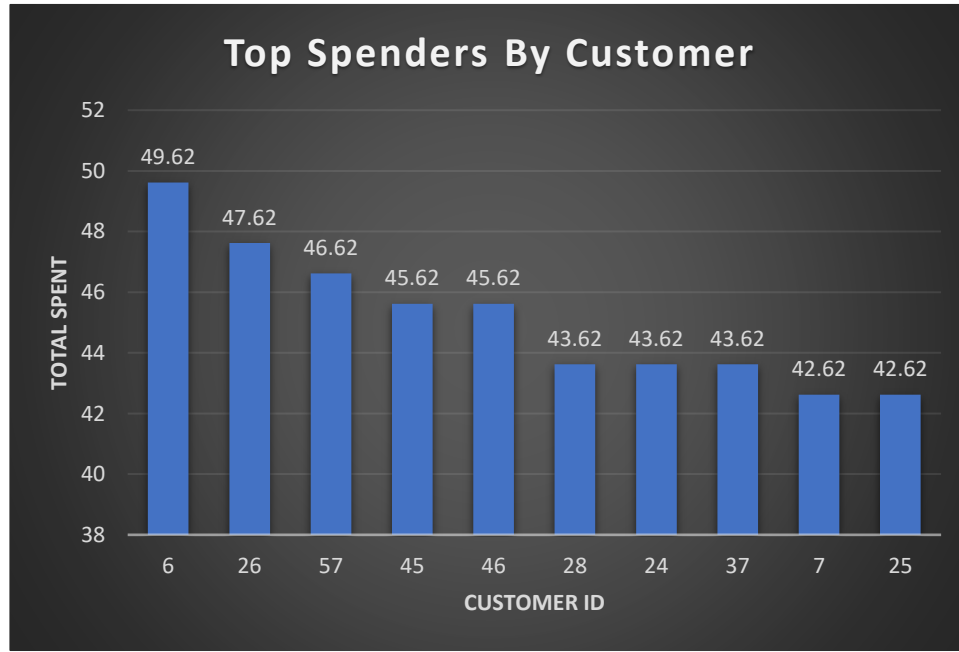

The artist with the longest Rock album is Lenny Kravitz.

Rush has the tenth longest Rock album.

The Lenny Kravitz album (Greatest Hits) is a big outlier compared to the next nine albums which are of a more similar length.

Customer Spending

Customer number 6 (Helena Holy) is the top spender with over \$49 spent.

There is a fairly even decline in spending across the top ten spenders.
